

June 11, 2018

Dear Kindergarten Parents and Guardians,

Welcome to the Salt River Elementary School Family! The Jumpstart Kindergarten Program is here to help your family and child get a “JUMPSTART” to the kindergarten learning environment.

With Jumpstart, your child will be introduced to the kindergarten experience through a variety of learning activities, such as guest speaker presentations and a field trip. All Jumpstart students will receive free breakfast and lunch daily and bus transportation is available for students residing within the SRPMIC boundaries.

This exciting, two-week program will be held **Monday-Thursday, 8 a.m. to noon, July 16-26**. *Attendance is very important* and all students are expected to be on time and present each day. Students risk being dropped after three absences (excused/unexcused) or after three behavioral incidents.

Students will be expected to follow the expectations and rules of Salt River Elementary School; the Student/Parent Handbook can be found at SRES.SRPMIC-ED.ORG. Please note: Participation in the Jumpstart program does **not** count toward the 180-day requirement for kindergarten instruction.

To be considered for the Jumpstart Kindergarten Program, please complete the Summer 2018 Jumpstart Kindergarten Student Application Form attached to this letter. Then, **submit your application to the Salt River Elementary Front Office prior to July 12**. This program is funded by Title I.

If you have any questions or concerns, please call SRES at (480) 362-2400.
